## Merry Christmas and Happy New Year from Your Church Staff

## From the Pastor's Heart . . . . .

This is the last newsletter to be mailed to you. Beginning in January we will no longer mail it. We will be using electronic media as our primary source for sending information about our church. If you want to continue receiving our newsletter, please send us your email address to breknite@bellsouth.net or put it in the box in the hallway. . The newsletter will also be posted on our website CPBCMobile.com. For those who do not have an email address, we will also be placing the newsletter information on the back of the Alabama Baptist paper once a month. So those of you who do not have computers, you can still receive the newsletter. We will also have copies of the newsletter available at the church for you to pick up on that Sunday. We are doing this because with the electronic media we can better inform you as a member and also save money in the process. We do not want to exclude anyone, so please send us your contact information so we can send the newsletter to you.

Frances and I would like to wish you a Merry Christmas and a Happy New Year!

In Christ,

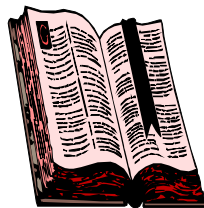

Bro. Mike
