## Pastor's Notes

Unless the LORD builds the house, they labor in vain who build it. (Psalm 127:1) Yesterday I asked the congregation to make a recommitment to the purpose of building up the house of the Lord right here at College Park. The idea is to revitalize our desire to reach our community for Christ, to be motivated to pray for the lost, and to know the presence of the Lord in this place.

Part of the process is to thank the Lord for His Spirit that indwells us all. Because of that spirit in us, serving Him becomes easier and more rewarding. Yesterday the congregation acknowledged that this is hallowed ground, in that it was provided thirty years ago for the purpose of planting a viable church. Today it is the desire of each one of us to proclaim Jesus till He comes. It is a place to hear the voice of God and respond to His plan for us.

Praise the Lord God Almighty!  
Bro. Mike
